- 4.2. A autorização do órgão gerenciador apenas será realizada após a aceitação da adesão pelo fornecedor.

- 5.1. A validade da Ata de Registro de Preços será de 1 (um) ano, contado a partir do primeiro dia útil subsequente à data de divulgação no PNCP, podendo ser prorrogada por igual período, mediante a anuência do fornecedor, desde que comprovado o preço vantajoso.
- 5.1.1. Eventual contrato decorrente da ata de registro de preços terá sua vigência estabelecida no próprio instrumento contratual e observará no momento da contratação e a cada exercício financeiro a disponibilidade de créditos orçamentários, bem como a previsão no plano plurianual, quando ultrapassar 1 (um) exercício financeiro.
- 5.2. A contratação com os fornecedores registrados na ata será formalizada por intermédio de instrumento contratual, emissão de nota de empenho de despesa, autorização de compra ou outro instrumento hábil, conforme o art. 95 da Lei nº 14.133/2021.

5.2.1. O instrumento contratual, quando cabível, de que trata o item 5.2. deverá ser assinado no prazo de validade da ata de registro de preços.

5.3. Os contratos decorrentes do sistema de registro de preços poderão ser alterados, observado o art. 124 da Lei nº 14.133/2021.

5.4. A existência de preços registrados implicará compromisso de fornecimento nas condições estabelecidas, mas não obrigará a Administração a contratar, facultada a realização de licitação específica para a aquisição pretendida, desde que devidamente justificada.

6. ALTERAÇÃO OU ATUALIZAÇÃO DOS PREÇOS REGISTRADOS

6.1. Os preços registrados poderão ser alterados ou atualizados em decorrência de eventual redução dos preços praticados no mercado ou de fato que eleve o custo dos bens nas seguintes situações:

6.1.1. Em caso de força maior, caso fortuito ou fato do príncipe ou em decorrência de fatos imprevisíveis ou previsíveis de consequências incalculáveis, que inviabilizem a execução da ata tal como pactuada, nos termos da alínea “d” do inciso II do caput do art. 124 da Lei nº 14.133/2021;

6.1.2. Em caso de criação, alteração ou extinção de quaisquer tributos ou encargos legais ou a superveniência de disposições legais, com comprovada repercussão sobre os preços registrados;

6.1.3. O valor registrado poderá ser reajustado no caso de prorrogação da ata de registro respeitada a contagem da anualidade e a variação do IPCA acumulado no período de 12 meses a contar da proposta.

7. NEGOCIAÇÃO DE PREÇOS REGISTRADOS

7.1. Na hipótese de o preço registrado tornar-se superior ao preço praticado no mercado por motivo superveniente, o órgão gerenciador convocará o fornecedor para negociar a redução do preço registrado.

7.1.1. Caso não aceite reduzir seu preço aos valores praticados pelo mercado, o fornecedor será liberado do compromisso assumido quanto ao item registrado, sem aplicação de penalidades administrativas.

7.1.2. Na hipótese prevista no item anterior, o órgão gerenciador convocará os fornecedores do cadastro de reserva, na ordem de classificação, para verificar se aceitam reduzir seus preços aos valores de mercado e não convocará os licitantes ou fornecedores que tiveram seu registro cancelado.

7.1.3. Se não obtiver êxito nas negociações, o órgão gerenciador procederá ao cancelamento da ata de registro de preços, adotando as medidas cabíveis para obtenção de contratação mais vantajosa.

7.1.4. Na hipótese de redução do preço registrado, o órgão gerenciador comunicará aos órgãos e às entidades que eventualmente tiverem firmado contratos decorrentes da ata de registro de preços para que avaliem a conveniência e a oportunidade de diligenciar negociação com vistas à alteração contratual, observado o disposto no art. 124 da Lei nº 14.133/2021.

7.2. Na hipótese de o preço de mercado tornar-se superior ao preço registrado e o fornecedor não poder cumprir as obrigações estabelecidas na ata, será facultado ao fornecedor requerer ao órgão gerenciador a alteração do preço registrado, mediante comprovação de fato superveniente que supostamente o impossibilite de cumprir o compromisso.

7.2.1. Neste caso, o fornecedor encaminhará, juntamente com o pedido de alteração, a documentação comprobatória ou a planilha de custos que demonstre a inviabilidade do preço registrado em relação às condições inicialmente pactuadas.

7.2.2. Não hipótese de não comprovação da existência de fato superveniente que inviabilize o preço registrado, o pedido será indeferido pelo órgão gerenciador e o fornecedor deverá cumprir as obrigações estabelecidas na ata, sob pena de cancelamento do seu registro, nos termos do item **8.1**, sem prejuízo das sanções previstas na Lei nº 14.133/2021, na legislação aplicável e neste edital.

7.2.3. Na hipótese de cancelamento do registro do fornecedor, nos termos do item anterior, o gerenciador convocará os fornecedores do cadastro de reserva, se houver, na ordem de classificação, para verificar se aceitam manter seus preços registrados.

7.2.4. Se não obtiver êxito nas negociações, o órgão gerenciador procederá ao cancelamento da ata de registro de preços, nos termos do item **8.4**, e adotará as medidas cabíveis para a obtenção da contratação mais vantajosa.

7.2.5. Na hipótese de comprovação da majoração do preço de mercado que inviabilize o preço registrado, conforme previsto no item **7.2** e no item **7.2.1**, o órgão gerenciador atualizará o preço registrado, de acordo com a realidade dos valores praticados pelo mercado.

7.2.6. O órgão gerenciador comunicará aos órgãos e às entidades que eventualmente tiverem firmado contratos decorrentes da ata de registro de preços sobre a efetiva alteração do preço registrado, para que avaliem a necessidade de alteração contratual, observado o disposto no art. 124 da Lei nº 14.133/2021.

8. CANCELAMENTO DO REGISTRO DO LICITANTE VENCEDOR E DOS PREÇOS REGISTRADOS

8.1. O registro do fornecedor será cancelado pelo órgão gerenciador, quando o fornecedor:

8.1.1. Descumprir as condições da ata de registro de preços, sem motivo justificado;

8.1.2. For liberado;

8.1.3. Não retirar ou aceitar a nota de empenho, ou instrumento equivalente, no prazo estabelecido pela Administração sem justificativa razoável;

8.1.4. Descumprir as condições da ata de registro de preços, sem justificativa aceitável;

8.1.5. Não aceitar manter seu preço registrado, na hipótese prevista no item 7.2.2 desta Ata; ou

8.2. O cancelamento de registros nas hipóteses previstas no item 8.1 será formalizado por despacho do órgão gerenciador, garantidos os princípios do contraditório e da ampla defesa.

8.3. Na hipótese de cancelamento do registro do fornecedor, o órgão gerenciador poderá convocar os licitantes que compõem o cadastro de reserva, observada a ordem de classificação.

8.4. O cancelamento dos preços registrados poderá ser realizado pelo gerenciador, em determinada ata de registro de preços, total ou parcialmente, nas seguintes hipóteses, desde que devidamente comprovadas e justificadas:

8.4.1. Por razão de interesse público;

8.4.2. A pedido do fornecedor, decorrente de caso fortuito ou força maior; ou

8.4.3. Se não houver êxito nas negociações, nas hipóteses em que o preço de mercado tornar-se superior ou inferior ao preço registrado.

9. DAS PENALIDADES

9.1. O descumprimento da Ata de Registro de Preços ensejará aplicação das seguintes penalidades de:

I - Advertência, quando o fornecedor der causa à inexecução, sempre que não se justificar a imposição de penalidade mais grave (art. 156, §2º, da Lei);

II - Impedimento de licitar e contratar, quando praticadas as condutas descritas nos incisos II, III, IV, V, VI e VII do caput do art. 155 da Lei nº 14.133/2021, sempre que não se justificar a imposição de penalidade mais grave (art. 156, §4º, da Lei);

III - Declaração de inidoneidade para licitar e contratar, quando praticadas as condutas descritas nos incisos VIII, IX, X, XI e XII do caput do art. 155 da Lei 14.133/2021 bem como nos incisos II, III, IV, V, VI e VII do caput do art. 155 da Lei 14.133/2021 que justifiquem a imposição de penalidade mais grave (art. 156, §5º, da Lei)

IV - Multa:

IV.1. Moratória de 0,5 % (meio por cento) por dia de atraso injustificado sobre o valor da parcela inadimplida, até o limite de 15 (quinze) dias. O atraso superior a 15 dias autoriza a Administração a promover o cancelamento da ata de registro por descumprimento ou cumprimento irregular de suas cláusulas, conforme dispõe o item 9.1.1.

IV.2. Compensatória de 10% (dez por cento) sobre o valor total da ata de registro, no caso de inexecução total do objeto.

9.2. A aplicação das sanções previstas nesta Ata de Registro não exclui, em hipótese alguma, a obrigação de reparação integral do dano causado à Administração.

9.3. Todas as sanções previstas nesta Ata poderão ser aplicadas cumulativamente com a multa.

9.3.1. Antes da aplicação da multa será facultada a defesa do interessado no prazo de 15(quinze) dias úteis, contado da data de sua intimação.

9.3.2. Se a multa aplicada e as indenizações cabíveis forem superiores ao valor do pagamento eventualmente devido pela Administração ao fornecedor, além da perda desse valor, a diferença será descontada da garantia prestada ou será cobrada judicialmente.

9.3.3. Previamente ao encaminhamento à cobrança judicial, a multa poderá ser recolhida administrativamente no prazo máximo de 30(trinta)dias, a contar da data do recebimento da comunicação enviada pela autoridade competente.

9.4. 9.5. Os atos previstos como infrações administrativas na Lei nº 14.133/2021, ou em outras leis de licitações e contratos da Administração Pública que também sejam tipificados como atos lesivos na Lei nº 12.846/2013, serão apurados e julgados conjuntamente, nos mesmos autos, observados o rito procedimental e autoridade competente definidos na referida Lei (art. 159)

9.6. As sanções de impedimento de licitar e contratar e declaração de inidoneidade para licitar ou contratar são passíveis de reabilitação na forma do art. 163 da Lei nº 14.133/21.

9.7. As sanções também se aplicam aos integrantes do cadastro de reserva no registro de preços que, convocados, não honrarem o compromisso assumido injustificadamente após terem assinado a ata.

9.8. É da competência do órgão gerenciador a aplicação das penalidades decorrentes do descumprimento do pactuado nesta ata de registro de preço, exceto nas hipóteses em que o descumprimento disser respeito às contratações dos órgãos ou entidade participante, caso no qual caberá ao respectivo órgão participante a aplicação da penalidade.

9.9. O órgão ou entidade participante deverá comunicar ao órgão gerenciador qualquer das ocorrências previstas no item 9.1, dada a necessidade de instauração de procedimento para cancelamento do registro do fornecedor.

10. CONDIÇÕES GERAIS

Revogação / Anulação**EXTRATO TERMO DE ANULAÇÃO DE PROCEDIMENTO LICITATÓRIO**

Processo Administrativo: nº 13058/2023

Modalidade: Pregão Eletrônico nº 163/2023

Secretaria Requisitante: Secretaria Municipal de Contratações Públicas

Objeto: Registro de preços visando à aquisição de concreto betuminoso usinado a quente (CBUQ), Faixa “C” padrão DER.

CONSIDERANDO o Parecer Jurídico, que após análise dos autos, opinou pela decretação de nulidade absoluta de todo o procedimento desde a origem, por ter verificado que ao deflagrar a fase externa do pregão, realizado na forma eletrônica e regido pela Nova Lei de Licitações nº 14.133/2021, não houve divulgação e disponibilização na íntegra do edital e seus anexos no Portal Nacional de Contratações Públicas (PNCP) (*artigo 54, caput*), somente no Diário Oficial do Município, bem como em jornal diário de grande circulação (§1º, *artigo 54*);

CONSIDERANDO o disposto no artigo 71, III, da Lei 14.133/2021, que prevê a possibilidade de anulação da licitação, sempre que presente ilegalidade insanável;

CONSIDERANDO que a administração pública pode declarar a nulidade de seus próprios atos conforme a disposição das Súmulas 346 e 473 do Supremo Tribunal Federal, a saber:

Súmula 346, STF:

“A administração pública pode declarar a nulidade dos seus próprios atos”.

Súmula 473, STF:

“A administração pode anular seus próprios atos, quando eivados de vícios que os tornam ilegais, porque deles não se originam direitos; ou revogá-los, por motivo de conveniência ou oportunidade, respeitados os direitos adquiridos, e ressalvada, em todos os casos, a apreciação judicial”.

CONSIDERANDO que a administração deve anular seus próprios atos, quando eivados de vícios de legalidade, e pode revogá-los por motivo de conveniência ou oportunidade, respeitados os direitos adquiridos;

CONSIDERANDO a ofensa a princípios norteadores da licitação, presente nos autos;

Resta demonstrado que havendo vícios de legalidade no procedimento licitatório, não cabe alternativa à autoridade competente que não anular o procedimento, tem-se ainda que a anulação da licitação, quando antecedente da contratação, é perfeitamente pertinente e não enseja contraditório.

Não há direito a ser tutelado antes de tais momentos quando ato de anulação praticado de forma motivada. Ademais porque no registro de preços não há expectativa de direito de contratar, diferentemente do que ocorre numa licitação convencional, em que a adjudicação do objeto da licitação ao vencedor confere, ao menos, uma expectativa de contratação.

A esse respeito, tem-se o seguinte julgado:

“LICITAÇÃO ANULADA. CONTRATO NÃO CELEBRADO. INEXISTÊNCIA DE DIREITO À INDENIZAÇÃO DE DESPESAS DO LICITANTE VENCEDOR. AUTOTUTELA DA ADMINISTRAÇÃO PÚBLICA. SÚMULA 473 DO STF. 1. A eventual contratação da vencedora do certame constitui, para esta, mera expectativa de direito, que não lhe confere qualquer direito a indenização, em virtude da invalidação do certame antes de concretizada a efetiva contratação. 2. Inviável a pretensão autoral de ver ressarcidas as despesas efetuadas com a execução precipitada do Projeto vencedor do certame anulado, uma vez que sequer foi formalizado qualquer contrato com a Administração Pública. 3. Nos termos da Súmula ncl 473 do Eg. Supremo Tribunal Federal: “A administração pode anular seus próprios atos, quando eivados de vícios que os tornam ilegais, porque deles não se originam direitos; ou revogá-los, por motivo de conveniência ou oportunidade, respeitados os direitos adquiridos, e ressalvada, em todos os casos, a apreciação judicial”. 4. **A anulação do procedimento licitatório contaminado por vício insanável decorreu do normal exercício do poder de autotutela pela Administração Pública, que lhe confere o dever de anular atos eivados de vícios, não decorrendo disto qualquer direito a ser pleiteado, mormente quando inexistente qualquer contrato a vincular o ente público ao particular.** 5. Apelação desprovida. Sentença confirmada. (grifo nosso)

Por fim, visando atender os princípios básicos da licitação, previstos no artigo 37 da Constituição Federal de 1988, **DECIDO POR ANULAR** o processo licitatório objeto do **Pregão Eletrônico nº 163/2023 - Ata de Registro nº 163/2023**, e, em face ao disposto no artigo 71, III, da Lei 14.133/2021, bem como artigo 50 do Decreto nº 10.024/2019, publique-se o presente para os efeitos legais. **PADRE OSVALDO DE OLIVEIRA ROSA - Prefeito Municipal**
